

# Supporting Israeli War Evacuees

## War on Israel Local Response: Volunteer Housing

Boston area Jewish agencies are collaborating to help Israeli individuals and families find temporary housing and access other relevant resources.

The first priority is assistance specific to **housing**.

If you have a separate space with a private bathroom, such as an in-law apartment, vacation home, or rental property that can be made available to an incoming family, JFS will respond as soon as possible.

Please scan this QR code to complete this volunteer housing form or click [here](#)
